STYLEOVERVIEW

MAKE SURE IT FITS

All hummel kids shoes are equipped with a FIT zone line on the insole. Use this "FIT Zone" line to make sure your kids' feet are within the line. Otherwise, please go up at size. The "FIT Zone" line will also help you determine when your child has outgrown the shoes. Important: Have your child stand on both insoles when checking if the shoes fit, as the sizes of the left and right foot might vary. Always determine the size of the shoe based on the bigger foot.
