To ensure this, we fulfil the global legislation on product safety and production methods according to the EU REACH regulation. Moreover, we are STANDARD 100 by OEKO-TEX certified, meaning that all hummel kids' styles with OEKO-TEX logo are certified according to the highest product class 1 standard. This guarantees that no harmful substances of any kind have been used in the production of our products and allows our retailers to use the STANDARD 100 by OEKO-TEX certificate with our products.
